

Teaching with technology

Inge de Waard

Two main topics, one quickie

- Management and implementation: with SECTIONS model of Bates and Pool
- Teaching: with Chickering and Ehrmann
- Screen your current educational institute with

SECTIONS model by Bates & Poole

This is a framework that allows you to strategies pro-actively on how (new) learning technologies will influence your learning institute

(link to the paper)

And after that.... ?

So the technologies are reviewed,
tested and chosen...

How are we going to teach with
whatever technologies we have?

Teaching with Chickering and Ehrmann

7 principles: Teaching with technology...

- **encourages contact between students and faculty,**
- **develops reciprocity and cooperation among students,**
- **encourages active learning,**
- **gives prompt feedback,**
- **emphasizes time on task,**
- **communicates high expectations, and**
- **respects diverse talents and ways of learning.**
